T09
Meeting ID: 811 8078 5980
Passcode: 273231

Learn more and provide comments regarding Warren's outcomes from the recently held Community Resilience Building Workshop under the Massachusetts Municipal Vulnerability Preparedness (MVP) Program.

MVP provides support for communities to begin the process of planning for climate resilience and prioritizing adaptation and hazard mitigation actions. Communities that complete the MVP certification program are eligible for Action Grant funding and other opportunities. Warren is also working on updating its Hazard Mitigation Plan.

For more information, contact Jeremy Olson, Warren's Highway Surveyor, olson@warren-ma.gov, or the Central Massachusetts Regional Planning Commission at mhsmith@cmrpc.org
